The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Replying to your telegram of the 19th instant, I am sorry that any delay has occurred in sending the census but I have found it necessary to wait for full report from the Red Lake reservation. I write sometime ago to the Farmer & Overseer of that place to complete the rolls, and I am quite sure they will be here in a few days. The other rolls are already, and the census will be finished within the next 10 days.

Very respectfully,  
Yours,  
J. A. [Signature]

The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Referring to your telegram of the 19th instant, and my reply thereto dated 21st instant, I enclose herewith a letter from Overseer T. A. Morison, of the Red Lake reservation, showing the reason that he has not forwarded the census for his Indians, and explaining that he will return about the middle of the present week, at which time of course he will send the census without any further delay, as I have again written him to do so immediately. I had written him previous to the date mentioned in his letter to prepare these rolls, but he was without census blanks, and that caused some delay, as I was under the impression that it would not be necessary for me to send him any blanks at all, depending upon him to make requisition for everything of the kind that he needed, as he thoroughly understands the clerical work of an agency.

This letter is written in order that you may understand fully the cause of this delay, which was unavoidable under the circumstances.

Very respectfully,

  
Capt. 7th Cavalry,  
Acting U.S. Indian Agent.

Sir,

In compliance with instructions contained in your letter of the 11<sup>th</sup> Inst. received last evening, I called on Mr. Bean and he informed me that no proper blanks were on hand to make out the quarterly School Report called for, but that he had written you for a supply -

I am called to Crookston on legal business and will be back here about the middle of next week; this will delay Census and Report called for, but I trust it will not cause you any great inconvenience.

Very Respectfully

Sir:

Again referring to your telegram of August 19th, and my reply thereto of August 21st, in which I explained to you that the delay in sending my census was caused by Mr. Morison, Overseer at Red Lake, failing to send the census of his Indians as soon as I expected, I have just received the same and forward herewith the entire census of all the Indians under my jurisdiction.

Very respectfully,

Department of the Interior,  
U. S. INDIAN SERVICE,

Leech Lake Agency, Minn., August 27, 1900..

The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

In submitting herewith the Census of the Indians of this Agency, I have found it necessary to omit the Red Lake Indians, temporarily, but will forward their names this week. I held the entire Census in the office until I could get a list of the births and deaths from the Farmer and Overseer in charge of the Red Lake Reservation, as it was absolutely necessary to have such a list before the Red Lake Census could be completed. I wrote several times, but owing to the large amount of work that he had to do, and to the fact that he has no clerical assistance, it seemed impossible for him to get the list here on time.

I therefore enclose herewith all other papers concerning the Census and Annual report of this Agency, and beg your indulgence for a few days in the matter of the Red Lake Census.

The list referred to has just been received, and the Census will be completed before the close of the present week.

Very respectfully,

Captain 7th Cavalry,  
Acting Indian Agent.
